

PDSA/QUALITY IMPROVEMENT ACTIVITY RECORD

REMEMBER: The PDSA cycle will help you create, test, evaluate and implement changes.
The PDSA is a tool; use it to guide you down the path of practice transformation.

Site Name: _____ Date: _____

Aim Statement: *Identify exactly what you are trying to change, by how much and by when.*

Baseline/Measure Data: _____

Plan: _____ Cycle: _____ Start date: _____ End date: _____

<p>PLAN:</p> <p>How are you going to make the change?</p> <p>Develop a specific plan.</p> <p>Include when, who, what, where, and by what date.</p> <p>Specify how you will measure and record the change.</p>	
<p>DO:</p> <p>Execute your plan.</p> <p>Record what happens, noting any unexpected consequences.</p>	
<p>STUDY:</p> <p>Review your results.</p> <p>Compare your results to the baseline.</p> <p>Is there a change?</p>	
<p>ACT:</p> <p>Was the change an improvement?</p> <p>Adopt – <i>Sustainably integrate into practice</i> [<input type="checkbox"/>]</p> <p>Amend – <i>Try another cycle with modifications</i> [<input type="checkbox"/>]</p> <p>Abandon – <i>Re-evaluate Aim and or Plan</i> [<input type="checkbox"/>]</p>
