

Healthy Hospital Initiative

Food and Beverage Scan
Spring 2015

Food and Beverage Scan

Overview

Major scan components

Cafeteria

- ✓ Food
- ✓ Beverages
- ✓ Menu Boards
- ✓ Grab and Go

Vending machines

- ✓ Food items
- ✓ Beverages

Conducting the Scan

1. Coffee Shops

How many in the hospital?

If unsure: Ask

2. Determine if there are other cafeterias, restaurants on site

Fast food? Subway?

If unsure: Ask

3. First: Make a lap in the cafeteria

Locate major items listed on the scan

Where are the menu boards?

Are prices visible?

4. Vending machines

Where are they in and around the cafeteria?

5. Start the scan

Use both the hard copy and the online version...Remember: you might lose online capabilities during the scan...data will NOT be saved!
